

Let's make **Stripey** and **Squeak Sock Puppets**

Here's everything you'll need to make Stripey and Squeak.

Take 2 old socks (they don't need to match!)

Find some colourful cardboard, this old tissue box was ideal.

You will need coloured paper such as post-it notes.

Cut out oval shapes from the coloured card and draw on some eyes.

Cut out eyelashes from the paper

Place the eyes and lashes on your socks.

Secure them in place with sticky tape.

Entertain your family with their adventures!

Post your photos of them using #JMBpuppets, and we will share our favourites.

Good luck!
