

Out at Sea

A Seascape

Here are the materials you will need:

1) Sketch the outline.

2) We used a pen and crayon for the sand.

3) We used dark blue paint for the sea.

Let it dry.

4) We used white for the clouds.

Let it dry.

5) We painted the sun.

Let it dry.

6) We added dark blue to the white to make it sky blue.

Let it dry.

7) We made the sun glow.

Let it dry.

.....

A Little Ship

Here are the materials you will need.

Ask your Captain to cut the cork with a sharp knife on a cutting board.

It should now look like this.

Choose a name for your ship and write it on the sail.

Assemble it to make your ship.

Well done!
