

Tissue Box Monsters

You might have a lot of tissue boxes lying around at the moment. Instead of throwing them away, why not make them into these cute monsters?

You will need:

Tissue Box

Paint or colourful paper

Pens or

googly eyes (can be made out of paper if you don't have the ready made ones)

Old pompoms

Any other craft materials available for decoration.

Paint box or cover with colourful paper

Cut out triangles from white paper and stick them inside hole for teeth.

Use googly eyes/paper or anything else to hand to decorate your monster.

Does he/she have a name?
