

Treasure the 'Precious Gift of Time'.

Create your own Time Capsule.

So, how did you get on with creating your Family Crest?

And your Coins that you drew yesterday?

Now, what to do with them?!

Why not create a Time Capsule?!

We've been given time off from actually going to school.

We are 'going to school' at home.

Have you been filling in your journal every Monday? You could keep that in your time capsule!

You are on this strange and new Voyage of Discovery-just like John was....!

You might be interested in looking back to remember how it was?!

Why not save all your precious things?

We found this sweet, little tin in a cupboard.

It might be just right for keeping things in?

We could put it away somewhere safe.

You might prefer something bigger so you don't have to fold your things.

It's up to you!

Enjoy!
