

It's Learn the Time O'clock!

Day 2

Now let's learn to read the clock when it's 'On the half hour'.

Make another clock face.

Draw on the long hand pointing at the 6.

Make another short hand.

(Write '2' on the back)

Cut another piece of paper the correct size to fit around your container.

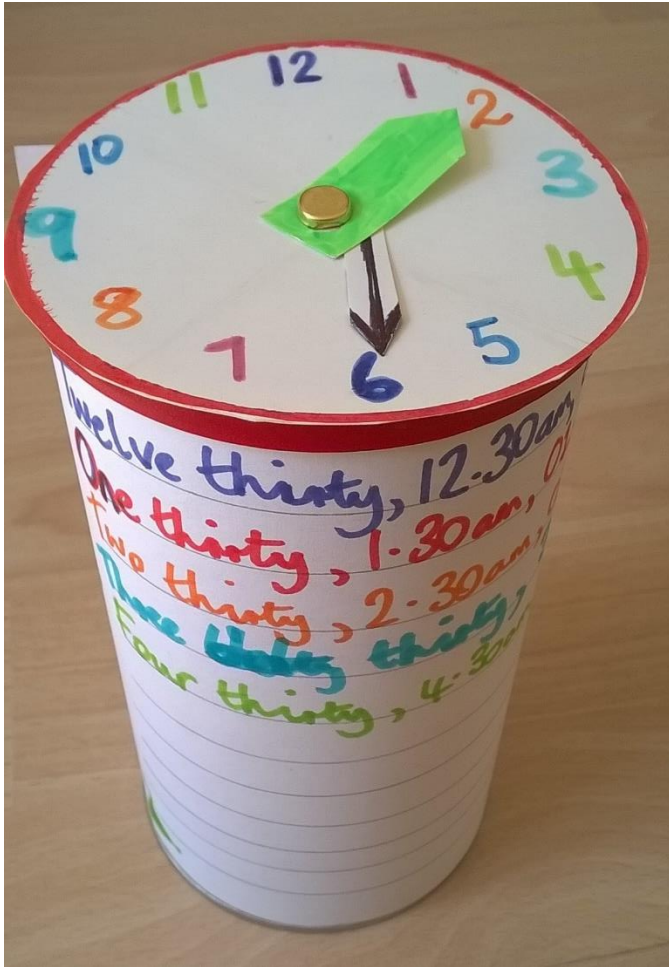

Now write out all the different ways of writing or saying the time on your paper.

Twelve-thirty	One thirty	Two thirty
12.30 am	1.30 am	2.30 am
00:30	01:30	02:30
12.30 pm	1.30 pm	2.30 pm
12:30	13:30	14:30

In the U.K. we might also say 'Half past twelve (or any other hour)'. Or we might make it even shorter by saying 'Half twelve' (or any other hour).

Please carry on up to eleven.

(Write '2' on the back)

Take your time!

Enjoy!
