

Butterfly art

This craft has the wow factor! All you need is paint and some paper, cut into a butterfly shape. Simply splodge paint on one half of your paper and fold it in half so the paint spreads on both sides. Carefully open it up to reveal a beautiful butterfly.

It's a great way to learn about butterflies and how their wings are symmetrical.

Once dry, your butterfly will make a cheerful decoration for your home. Or you could even turn it into a card to send to a grandparent you won't see for a while.
